

Captain of the Hosts Invitation

(Spoken April 23rd; BT Fire; 2015)

The Captain of the Hosts request the honor of your presence
at a fight against Satan.

Be of good cheer though daughter...
For I have overcome the world and we will defeat him together.

The Ananias's and Sapphira's will try to knock you down.

But they are no match for My Warrior Princess.

For I will keep thee strong and mighty.

And you will do great exploits in my name

Watch Me work!

Give glory to My name

Jesus
