

Captain of the Hosts Invitation

(Spoken April 23rd; BT Fire; 2015)

The Captain of the Hosts request the honor of your presence
at a fight against Satan.

Be of good cheer though My faithful one...

For I have overcome the world and we will defeat him together!

The Ananias's and Sapphira's will try to knock you down...
but they are no match for My Warrior.

For I will keep thee strong and mighty!

And you will do great exploits in my name

Watch Me work!

Give glory to My name

Jesus
