

Changing of the Guard

(April 29th, 2016)

There'll be a changing of the guard...

For I am sending you out to fight fire with fire!

Wrap yourself in My presence through worship.

My glory abounds to you in every good work

**Render yourself to Me completely daughter,
For we have much work to do!**

**I will see to it that every arrangement will be made for you to
walk out your calling.**

Your destiny draweth nigh.

"The Lord God Almighty decrees this"
