

Divine Judgment in the Shape of Revival

(Fire Fire Fire as I type this)

The Lord woke me up on October 23rd 2014 and I heard...

“The Winds of Heaven are about to blow across your land”

Vision upon waking October 25, 2014...

*I saw a cloud surrounded by a great light.
There were flashes of lightening coming out of the cloud*

Then the Lord quoted from the introduction to Joel in my
Revival Study Bible...

“And afterwards the rain comes”
