

Faithful & True

(Spoken February 8th, 2015 Fire!)

I am putting a new song in your heart.

It is the Song of the Ancients.

For I am coming on a white horse in power and might!

I AM He who is called Faithful & True.

Circumcise thy heart to the things of this world.

Relegate an impoverished mind.

Be quickened in your spirit to My voice.

Redemption is Mine saith the Lord...

And I will smack you down with the power of My love!

** Ancients were Old Testament Saints who obtained a good report.
Not because of their achievements in personal holiness...
But in their obedience, persistence, & sacrifice.*

Relegate...downgrade, put down, move down, move out

Impoverished...weakened, exhausted in strength, depleted
