

# Fierce Intimacy

(Fire and oil; November 7<sup>th</sup>, 2014)

Mandrakes... mandrakes My daughter.

Eat the fruit of My love & I will pour out a blessing upon your house.

Seek me fiercely!

Love me utterly!

Consecrate your life to Me; your Daddy...  
My sweet sweet child.

I will whisk you away in the night to receive divinely inspired utterance from My lips  
to yours.

Kisses from Heaven rain down on you My precious one.

The veil has been torn.

Enter in to the throne room fearless!  
Anointed with sacred oil

I smell your sacrifice... and it is pleasing to Me
