

# I Am Beautiful in God's Sight

(March 29<sup>th</sup>, 2017)

You are covered with My beauty!

You have captivated My heart!

I have so much to give you, so much to share with you,  
so much to pour out on you!

Listen to me! You are fearless and bold!  
Follow the yellow brick road to charity. (Love)

Know that my Love towards you abounds to every good work.

Seek Me, love Me, find Me, breathe Me, pursue Me,  
and ravish Me with your love!

Time is on your side
