

Jesus came and shared His heart with me

BT fire & oil was poured over my head.

(Manifested presence at 8:10 PM December 6th, 2014)

I ache for my bride.

I weep for the lost.

I stand at the door and knock... is anybody there?

Will anyone let me in?

Pardon upon Pardon.

I would hand them out,
If they would open the doors of their hearts to Me.

Freely given... freely paid for.

Precept upon precept.

My Kingdom shall have no end!
