

Ezekiel 22 with Fire & Tears

(May 19, 2014)

(Vision of me on wall with very long saber)

Daughter...this chapter is about the Bride and all the
iniquity that is set forth within her.

For I am sending a cleansing fire that many will embrace...

But it will be an affront to many.

It will bridge the gap between the holy and the profane.

For I will root out uncleanness and lewdness from my Bride's skirts

I'm about to throw kindling on the fire
