

Leap of Faith

(Fire; March 20th, 2015)

My son...

A precious prize & portion will be bestowed unto you...
because of your faithfulness.

My manifest glory will be present upon you.

Run breathlessly into the wind of My Spirit!

Take a calculated risk and jump off a cliff into new frontiers.

Take a leap of faith and dive headfirst into a pool of righteousness and truth

This is My glory! This is My kingdom!

Reparations will be made to you... My precious one.

Speak softly and carry a big stick.

Righteousness peace & holiness shall follow you all the days of your life...

And you shall dwell with me in My house forever.

Your Master has decreed it!
