

# Once Upon A Time

(April 15<sup>th</sup>, 2016)

Once upon a time in a faraway land there was a little girl who met Jesus.  
He said... “Come with Me princess” as He hoisted her up on His donkey.

There He took up provision and gave her practical advice  
along the way to her destiny.

He said... people may come and go in your life,  
but I will never leave you.

Take a fruit basket in one hand and a jar of oil in the other.

The crossroads of destiny await you!

---

## Crossroads Definition

*A point at which a crucial decision must be made  
that will have far-reaching consequences.*
