

(Spoken with BT fire; December 13th, 2014)

Listen carefully to what the Spirit of the Lord says.

Embrace with dignity your calling.

Sweep away all dust under the rug of the past.

Do not hinder my plans or purposes by walking in doubt & unbelief!

For I have called you for such a time as this.

Magnitude, power & glory bestowed unto you.

Precious pearls of wisdom shall be bountiful in My presence

Seek and you shall find that which has been lost
