

Praise Gallery

(Spoken April 1, 2015)

Your perpetual praise is significant to Me.

Continue to seek Me in the secret place for
Your sweet aroma delights My senses.

For I will do for you something so amazing...
that you would not believe it if it were told you.

Your praise gallery in Heaven is stunning!

Watch me work in your life Ma Petite Maison.

Catapulted in the realm of the Spirit;
very few experience this.

You are My chosen vessel.

I have anointed you with dunamous power.

Give glory to My name!

Your King has spoken
