

The Father's Heart

(October 24th, 2015)

When you come in to that place in your heart;
that you know that you know...
That NOTHING is impossible to those that believe;
Then I will shower you with delicacies from Heaven...
an increased sanctity of mind and a reservoir of hope.

Breathe in the fragrance of Me;
as pleurisy has no place in My kingdom.

Anxiety, doubt & unbelief are shattered when you come to the
perfect knowledge of who I AM for you.

Calibrate your thinking;
and you will “count it all joy”
when trials come against you.

Seek a permanent place of refuge.

It's in My heart.

Your Loving Father
