

This is the Time

(March 4th, 2014)

This is the time to challenge those who oppose Me.

This is a time to trample on serpents and scorpions.

This is the time to bear witness of who I AM in the marketplace.

This is the time to redeem land that the enemy is stolen.

This is the time to bear witness of My truth to the world.

This is the time to save that which is lost

This is the time to redeem that which is found.

This is the time of the nuclear family

This is the time of forbearance

This is the time to walk boldly under the anointing.

This is the time to call things that are not as though they are

This is the time for judgment to begin in the house of the Lord (1 Peter 4:17)

This is the time of lickety split
