

# Whispers in the Night

(Spoken April 14<sup>th</sup>, 2015)

Hear Me softly, for whispers in the night & daydreams in the day.

Dreams & desires carefully chosen by your Papa.

When you abide in My presence...

The wellspring of your life flows from the Living Water in  
the Throne Room.

There is majesty in Providence.

You will be catapulted in the realm of the Spirit and you will be  
amazed at My goodness!

Fearless and bathed in the oil of authority *are you...*

Ready for battle.

Seek My face.
